

Kindergarten - 2nd Grade

Club Description

2024-2025 School Year

## Kindergarten - 2nd grade Club Descriptions 2024-2025 School Year

### **K-2 Science Club - Mondays**

Our young scientists will embark on a fun and fascinating journey through the world of science. Our club is designed to introduce students to scientific methods through a series of engaging experiments. Each lesson is crafted to spark curiosity, encourage exploration, and develop critical thinking skills. Each experiment will guide students through the steps of the scientific method. Through these experiments, students will develop a love for learning, enhance their problem-solving skills, and discover the wonders of the scientific world. Join us for a year of discovery, exploration, and scientific fun! **\$20 fee**

### **K-2 French Club - Mondays**

The French club will be a place for students to not only learn about French culture but also learn how to speak the language.

### **K-2 Animal Adventures Club - Mondays**

Students will have the opportunity to research and learn about their favorite animals using Brain Pop and Epic. We will focus on different habitats throughout the year.

### **K-2 STEM Club - Mondays**

This club is a fun way to have learners find interest in science, technology, engineering and math with different hands-on explorations and different experiments where students will learn new concepts and apply them to their learning.

### **K-2 Lego Club - Thursdays**

Lego club fosters and encourages children to have fun while developing teamwork and problem solving skills. Children will have the opportunity to choose challenges or free build, think critically, be creative and use their imaginations. Children will also learn to present their creations to their club peers and build on their speaking and listening skills.

### **K-2 Rising Road Runners Club - Thursdays**

Rising New York Road Runners is a free, nationwide program that helps youth develop the ability, confidence, and desire to be physically active for life. We take a developmental approach to physical education that's focused on a student's age, needs, and ability. Our research-based program consists of games and activities that make it fun to learn - and teach - the fundamental movement skills at the heart of running and most other sports.

### **K-2 Dance Club - Thursdays**

Calling all dancers! Do you enjoy busting a move and want to show off your dance skills? Do you want to learn different dance styles throughout time? Well, Dance Club is the place to be! Come join our Dance Club.

### **K-2 iReady & IXL Club - Thursdays**

This club will provide a calm and quiet environment for students to come and complete their weekly i-Ready minutes and IXL assignments for both Reading and Math. Each week students will be given a laptop to use to independently complete their lessons. They will need a pair of headphones they can bring weekly, and a copy of their log-in information to keep in the club room.

### **K-2 Kindness Club- Thursdays**

This club will focus on the school's monthly character trait. Students will read about the character trait of the month, share ideas about how to demonstrate each character trait in their lives, and complete projects to display around the school.

### **K-2 iReady & IXL Club - Fridays**

This club will provide a calm and quiet environment for students to come and complete their weekly i-Ready minutes and IXL assignments for both Reading and Math. Each week students will be given a laptop to use to independently complete their lessons. They will need a pair of headphones they can bring weekly, and a copy of their log-in information to keep in the club room.

### **K-2 Service Learning Club - Fridays**

Students will work on activities that show kindness in the community. Students will also learn how to spread kindness inside and outside of the classroom. **\$20 fee**

### **K-2 Rise Up - Fridays**

Rise Up is fee-based and provides a safe environment to participate in activities and encourage others in fun events such as creating cards, gifts and posters. Each Semester will culminate into a fun event or showcase in school and in community. Parents may need to be involved in the community events such as performance for Geriatric care facilities, Military facilities and/or Community clean-ups on weekends or holidays. **\$25 fee**

### **K-2 Art Club - Fridays**

Students will use their creativity and self-expression through unique Art projects using various art materials. **\$15 fee**

### **K-2 Music - Fridays**

Students in grades K-2 will explore music and movement as an extension of our regular music class. We will play Boomwhackers, bucket drums, small percussion instruments, and will use an extensive group of props that promote and support students' imagination, exploration, and creativity while experiencing and listening to classical music.

# Kindergarten - 2nd Grade Clubs

3rd Grade - 5th Grade

Club Description

2024-2025 School Year

## 3rd - 5th grade Club Descriptions 2024-2025 School Year

### 3-5 iReady/IXL Homework Club - Mondays

This club will provide a calm and quiet environment for students to come and complete their weekly I-Ready minutes and assignments for both Reading and Math. Each week students will be given a laptop to use to independently complete their lessons. They will need a pair of headphones they can bring weekly, and a copy of their log-in information to keep in the club room.

### 3-5 Crocheting - Mondays

Teaching basic crocheting - beginning chains and basic stitches for students to make dishcloths, pot holders, and scarves. Students will each receive the crochet needle they use plus any item they work on to keep at the end of the club. **\$15 fee**

### 3-5 Photography - Mondays

1, 2, 3, Cheese! Students will work collaboratively to explore and discuss different photographic techniques, as well as creating artwork that represents the school's community. **\$20 fee**

### 3-5 Art Club - Tuesdays

Students will use their creativity and self-expression through unique Art projects using various art materials. **\$15 fee**

### **3-5 Drama Club - Tuesdays**

In Drama Club, students will learn some of the basics of stage presence, practice acting skills, and assist in making props and sets for a play. They will perform the play in front of their schoolmates and parents during the school year. There is a place for the natural actor/actress AND the shy (behind the scenes) drama lover in this club! Sign up and be a part of RCSAM's Drama Club! \*This club will require some longer sessions for dress rehearsals, and students and families will be expected to provide some set materials and costume pieces for the performance. **\$30 fee**

### **3-5 Ukulele Club - Tuesdays**

Each student will realize that they can be a ukulele player. This club serves as an introduction to the instrument and will provide students with instant access to making music on the ukulele. Focus points will be strumming patterns and rhythms, playing through scales, chord charts, and reading music.

### **3-5 Turkish Dance & Cooking Club - Tuesdays**

During the first half of the year, students will explore Turkish cultural dance, like "Damat Halayi". For the second half of the year, students will learn about cultural foods and make delicious treats! **\$15 fee**

### **3-5 Service Learning Club - Tuesdays**

Students will brainstorm a need(s) within the community and work to plan and prepare service work/fundraising to fulfill the need. Students will reflect on their contributions to the community and focus on ongoing effort throughout the year.

### **3-5 Soccer Club - Tuesdays**

Students will have the opportunity to learn new skills and techniques while also improving their current level of soccer skills. The students will practice their athleticism, tactics, teamwork and sportsmanship.

### **3-5 Zoological Studies Club - Thursdays**

In the zoological studies club, we will delve into the animal world. Each week will discuss different animal species and ways we can help in animal conservation.

### **3-5 Yoga Club - Thursdays**

Yoga Club is an opportunity for students to learn basic yoga poses, breathing techniques, and mindfulness practices to help manage stress, improve emotional regulation, enhance concentration, increase self-awareness, and develop strength & flexibility.

### **3-5 Sports Club - Fridays**

Students will learn how to improve their current level of health related fitness (muscular strength & endurance, cardiovascular endurance, and flexibility) through fitness activities, sports and games.

### **3-5 Running Club - Fridays**

Students will learn the importance of warm up and cool down stretching, proper hydration, and how to pace themselves when running long distances. Students will try to run as many laps as they can in a given period of time.

### **3-5 Classic Children's Literature Club - Fridays**

Join us as we read classic novels such as "The Secret Garden", "Anne of Green Gables" and "Treasure Island". We will complete fun activities to go along with the books. It will be a great blend of fun and reading!
