

1st grade summer packet

2022-2023

Welcome to 1st Grade! Here are some fun activities to complete over the summer to get ready for 1st grade. All activities are optional. Students will be given credit for completed work in Quarter 1. Returning students have access to the online portals for the month of June. You may continue to work on iReady and IXL lessons during this time. Below you will find a list of lessons for IXL, that you may complete while you have access. We have also included a list of sight words to practice. A Reading log has been attached for you to log all of the books you read over the Summer. Have a fun Summer! We can't wait to see you in August!

Sincerely,

The First Grade Team
