

3rd Grade - 5th Grade

Club Description

1st Semester

2026-2027 School Year

3rd - 5th grade Club Descriptions 2026-2027 School Year

3-5 Homework Club - Monday

Join us to work on homework in a quiet, distraction free environment, with encouraging teacher support! Work on Iready, IXL, or paper-based assignments. We can't wait to see you there!

3-5 The Literacy Lock-In - Tuesday

Unlock the fun! Students will enhance literacy skills by working together to solve puzzles, crack codes, and escape themed challenges before the time runs out. Each week brings a new mystery that builds teamwork, critical thinking, and creativity.

3-5 Art Club - Tuesday

Students will use their creativity and self-expression through unique Art projects using various art materials. **\$15 fee**

3-5 Soccer Club - Tuesdays

Students will have the opportunity to learn new skills and techniques while also improving their current level of soccer skills. The students will practice their athleticism, tactics, teamwork and sportsmanship. **\$20 fee**

3-5 Spelling Bee Club - Tuesday

Join the Spelling Bee Club to build spelling skills, expand vocabulary, and have fun with words! Students in grades 3–5 will practice spelling strategies, participate in friendly competitions, and prepare for classroom and school-wide spelling bees in a supportive environment. This club is a great way to boost confidence, improve language skills, and enjoy teamwork while learning new words each week.

3-5 Random Acts of Kindness Club - Thursday

The Community Kindness Club's purpose will to help build a culture of kindness within our school community. In today's world, cultivating a culture of kindness within our school community is more important than ever. A Distinguished Kindness School is not just a place where students learn academic skills; it's a space where compassion, respect, and empathy thrive.

3-5 Rise-Up/Music - Thursday

Rise Up Club, where music, movement, singing, and creativity come together! Students will explore fun dance routines, musical activities, and instrument use while building confidence, teamwork, and stage presence. Throughout the year, students will have opportunities to perform at different events in a fun and supportive environment. The fee will cover the Shirts for performances and snacks as needed. **\$20 fee**

3-5 Cooking Club - Friday

Students will enjoy fun, hands-on cooking activities while learning basic kitchen skills, teamwork, creativity, and healthy habits in a safe and enjoyable environment. **\$20 fee**

3-5 Fitness Club - Friday

Students will learn the importance of both warm-up and cool down stretching, as well as proper nutrition and hydration. Students will participate in running for both speed and endurance as well as various bodyweight strength exercises such as push ups, squats, and sit ups. Students will learn how to set attainable fitness goals for themselves. This club will help students improve on the different physical fitness tests that they complete throughout the year in P.E.
